The diagram illustrates a mountain route with three circular callouts providing detailed views of specific points:

- Callout 1 (Top):** Shows a detailed view of a mountain peak. A red dashed line indicates the route, with labels "1. Turm über links" and "2. rechts exponiert". A yellow dotted line with an arrow points towards the peak. A black cross symbol is visible on the left.
- Callout 2 (Middle):** Shows a detailed view of a mountain slope. A red dashed line indicates the route, with labels "3-4" and "4b". A black cross symbol is visible on the left.
- Callout 3 (Bottom):** Shows a detailed view of a mountain slope. A red dashed line indicates the route, with labels "2" and "4a". A black cross symbol is visible on the left.

The main diagram shows a red dashed line representing the route, with a yellow dotted line indicating a path. The route is labeled "1. Turm über links" and "2. rechts exponiert". A black cross symbol is visible on the left.
